Matthew Smith,

Defendant.

Case No. 2:20-mj-00123-DJA

Unopposed motion for preparation of pre-plea presentence investigation report

Matthew Smith is charged with being a felon in possession of a firearm. Smith has some older criminal history out of California for which his release dates are unclear. Because of the age of these convictions, they may or may not count for criminal-history points depending on Smith's release date. Undersigned has communicated with Assistant United States Attorney Travis Leverett, and he does not object to Smith's request for a pre-plea PSR. Smith therefore respectfully requests that this Court enter an order directing the United States Probation Office to prepare a pre-plea presentence investigation report to determine Smith's criminal history.
